Call to provide a verbal prescription

Benefits of Utilizing Sterling Specialty Pharmacy

- Sterling will complete all prior authorization activities required to expedite your patient's medication fulfillment process.
- Sterling will ensure the patient pays the lowest out-of-pocket cost by utilizing the manufacturer's co-pay savings card.
- All patients will receive a welcome call to introduce them to Sterling and answer any questions they have on their prescription.
- Patients, or their caregivers, will receive communication updates throughout the medication fulfillment process.
- All medications are delivered for free to the patient.
